Cover of the *American Chess Magazin*, Issue 14-15

From our chairman :

Our representative for the American members and as well the deputy chairman of our Society John Donaldson recently has been featured in the American Chess Magazine. The immediate cause for it was the The Best Trainer Award presented to him by the FIDE Trainers' Commission for his captaincy of the successful US Teams (gold and silver) in the Olympics 2016 and 2018. We congratulate him heartily on this honourable award!
