Biography of GM Dr. Robert Hübner

Robert Hübner: A Biography in Texts, Images, and Documents. With a focus on his estate at the Löberitz Chess Museum. Part I (1948–1991) and Part II (1992–2025)

[Robert Hübner. Eine Biographie in Texten, Bildern und Dokumenten. Mit Blick auf seinen Nachlass im Schachmuseum Löberitz. Teil I (1948-1991) und Teil II (1992-2025)]

Edited by Konrad Reiß in collaboration with Siegfried Schönle, Löberitz/Leipzig 2026, limited edition of 100 copies, Part 1, 396 pp.; Part 2, 420 pp.

Blue paperback volumes [245x165], thread-bound.

The Löberitz Chess Museum, its director Konrad Reiß, and his staff were unexpectedly entrusted with a major task pursuant to the will of GM Dr. Robert Hübner (November 6, 1948 – January 4, 2025), as the deceased stipulated the following:

"I bequeath my chess legacy to the Löberitz Chess Museum, directed by Mr. Konrad Reiß."

[„Meine schachliche Hinterlassenschaft vermache ich dem Schachmuseum Löberitz, geführt von Herrn Konrad Reiß.“]

This led to the creation of the two-volume biography shown here, based on a very extensive collection of source material.

The tables of contents for the two volumes certainly provide a good impression of this:
