

CHESS COLLECTORS INTERNATIONAL

18th Biennial Convention Prague 18th- 22nd April 2018

Dear Friends and Members of CCI

Our next international meeting will be in the beautiful central European city of Prague, the birth place of world champion Wilhelm Steinitz in May 1836. There is much history to be seen as Prague Castle dates from the end of the 9th century and the city flourished during the 14th-century reign (1346–1378) of Charles IV, Holy Roman Emperor and the king of Bohemia of the new Luxembourg dynasty. As King, Charles transformed Prague into an imperial capital and at that time it was the third-largest city in Europe after Rome and Constantinople.

We anticipate a high attendance for this meeting as many members and friends have already indicated their wish to participate. Early bookings are therefore advised, to take advantage of the special discounted room rates. Members of the Ken Whyld Association, <http://www.kwabc.org/> which is dedicated to the collection of chess books, are again cordially invited.

We will have a chess market open for 2 to 3 hours in the conference hotel; please bring chess items for sale or exchange and let us know if you wish to participate so that we can arrange sufficient space. To cover the cost of the room a small contribution of 15 euros per table will be collected.

Our convention hotel will be The Grandior in the centre of Prague where a contingent of rooms is being held for us. Please make your own hotel reservation using the keyword "CCI2018" at
