Chess Train

Our member **Calle Erlandsson** took part in this year's chess train tour (Prague – Dresden – Wrocław – Spa Piešťany – Vienna – Prague) and en route took a lot of photos, most of them to view in the ChessBase contribution [Urlaub im Schachzug](#) (Vacation on the chess train; in German). The adjacent small picture shows Calle together with Manfred Mädler in Dresden. For further presentations of this event you may see Lars Grahn's blog contribution [Schacktåget](#) (in Swedish) and the pictorial report at ChessBase (in English) [Chess Train Tournament a great success](#).
