## **Chess Train**

Our member **Calle Erlandsson** took part in this year's chess train tour (Prague – Dresden – Wrocław – Spa Piešťany – Vienna – Prague) and en route took a lot of photos, most of them to view in the ChessBase contribution <u>Urlaub im Schachzug</u> (Vacation on the chess train; in German). The adjacent small picture shows Calle together with Manfred Mädler in Dresden. For further presentations of this event you may see Lars Grahn's blog contribution <u>Schacktåget</u> (in Swedish) and the pictorial report at ChessBase (in English) <u>Chess Train Tournament a great success</u>.
