## **INFORMAL CH&LS MEMBER MEETING AT BRUNSWICK**

As usual our informal member meeting will be organized during the auction days of Antiquariat A. Klittich-Pfankuch. We will meet after the preview on Friday June 21st, at 17:00 h in the auction hall.

The meeting will have an exceptional character because of the fact that Antiquarian Pfankuch, now Klittich-Pfankuch, celebrates its centenary! We have encouraged dr. Karl Klittich to give us a talk about the history of the House and in particular to pay attention to the birth and further development of the chess auctions. Additionally, dr. Michael Negele will talk about „Serendipity in Chess Research“, providing some examples of his own experiences.

During the meeting the House of Klittich-Pfankuch with its traditional hospitality will offer generously drinks and finger food.

For those members who want to attend our traditional dinner a reservation will be arranged in a Braunschweig restaurant after 20:00 h.

The board of the CH&LS will have its bi-annual meeting from 15:00 till 17:00 h in a room of the auction house.

Sincerely yours

Bob van de Velde
