CSQ 24 - VIII 2016

This time our **CSQ** newsletter (issue 24) offers 22 pages - it concludes the 6th year of our quarterly. Our new chairman, Bob van de Velde has contributed a markedly extensive editorial, consequently 2 pages were required for the introduction. As customary, you can look it up in our [member section](#) (password protected).

As to my article on Meso Chess (Falcon-Hunter Chess), the scans of the corresponding typescript pages are available below as pdf files.

Typescript on Meso Chess by Karl Schulz (in German):

- [Mesoschach](#) (Deckblatt, Anschreiben dt./engl. + 5 Seiten über Mesoschach von Karl Schulz) - 2 MB

Typescript of the mathematical paper by Dr. Erwin von Fabrizi (in German):

- Mathematische Abhandlung von Dr. Erwin v. Fabrizi
[Seite 1-10](#) (2.2 MB) / [Seite 11-19](#) (2 MB)
