General Assembly of the CH&LS Association and conferences in Marostica

Jean Olivier Leconte
A worldwide unique show!

Last Saturday 10th September 2022, the CH&LS "Chess History and Literature Society" met for its general assembly in Marostica, Italy. Marostica is famous for its chess show, which takes place every two years. A small town quite suitable for this General Assembly!

Four conferences on chess history were presented during this general assembly. I will publish the material of these four presentations on this website, as well as on my blog [Le Café de la Régence](#).
