In Memoriam Roger Klittich

*** 03-06-1936**

† 01-05-2015

Yesterday we received very sad news from Braunschweig: Roger Klittich, senior partner of the auction house A. Klittich-Pfankuch, one of the initiators of the KWA and its honorary member, had passed away on 1st of May.

Though he seemed to have recovered quite well from a poor health in the years before - in Weimar we still saw him in good spirits - he now died unexpectedly of a kidney failure. Only recently he had returned from a long-haul tour together with his wife Adelheid.

The funeral will take place on coming Saturday, we give the [death notice](#) (in German) for those who wish to attend.

Our thoughts are with his family and all the memories we have about him.

A more detailed obituary will follow soon.
