Jonathan Manley's query

Jonathan Manley, chief editor of *Kingpin Chess Magazine* wonders whether any KWA member might be interested in reviewing any of the following recent historical works for www.kingpinchess.net:

The Classical Era of Modern Chess (Monté)

Chess Competitions, 1971-2010 (Di Felice)

Ignaz Kolisch: The Life and Chess Career (Zavatarelli)

Please contact Jonathan Manley - email jon_manley@msn.com - if you wish to contribute a review.
