Kurt Landsberger's visit to Lawrence Totaro - a short note

Lawrence Totaro (left) and Kurt Landsberger

Lawrence Totaro has kindly sent us the above photo, his meeting with Kurt Landsberger took place this week in Las Vegas.

We hope to welcome both US members at our general meeting in New York City, on this occasion we would like to point to the new date - we had to reschedule this event to the middle of September (see our [Announcements](#) too).
