New board appointed

Meanwhile the nomination of our new board – represented by **Drs. Bob van de Velde, John Donaldson, Michael Clapham** and **Dr. Karl Klittich** – has unanimously been confirmed by the Council of Representatives. According to our statutes, this formal act was indispensable to legalize the appointment of the board members.

We wish them all the best for fulfilling their tasks, may they have the right hands for their decisions!

PS (11-07-2016): The items of the last [Klittich-Pfankuch](#) chess auction (part of the 70th auction in June 2016) have been included with descriptions, prices and images in our BoC database [Tobiblion.com](#) (for members only, password required)!
