New Books on Vida

Rudolf Glenk (Forchheim) has just published two books on **Marcus Hieronymus Vida's *Scacchia Ludus***.

Read more in our column [New Chess Literature](#).

PS: **Michael Negele** has written an interesting article (in German) on Gustav R.L. Neumann (1838-81), published at www.schachbund.de/news/.... It's a kind of addition to Michael's article on Minckwitz in the current KARL issue 4/2015.
