Sonja Graf in the WCHoF

We are pleased to hear that the German born female chess master **Sonja Graf-Stevenson** has been included in the World Chess Hall of Fame - see this page of the <u>WCHoF website</u>! So from coming April both Mrs. Stevenson (the other is Vera Menchik) will decorate the walls of the <u>World Chess Hall of Fame</u> in Saint Louis.

On this occasion we remind of Michael Negele's extensive article <u>Schicksal eines Fräuleinwunders - der</u> <u>Lebensweg der Sonja Graf-Stevenson</u> (PDF, 1st edition 2004, updated 2007), as well as the page <u>Childhood of Sonja (Susanna) Graf ...</u>.
