## **Tim Harding is looking for old BCCA publications - help required!**

At the moment **Tim Harding** is trying to trace copies of some old publications of the B.C.C.A. (British Correspondence Chess Association). After having largely exhausted his own possibilities (Cleveland library, The Hague online catalogue, British Library, ...) he makes now a request for help to our members giving this [document](#) (doc-file) with missing items.

The 1954 and 1957 yearbooks have been found meanwhile so they can be crossed off the missing list; the missing items seem to be all from before 1939 now.

Tim Harding can provide more details if needed, please mail to [editor@chessmail.com](mailto:editor@chessmail.com)
