

Dear Chess Friend,

We just received from our printer: Aron Nimzowitsch 1928-1935
(http://www.newinchess.com/Shop/ProductDetails.aspx?ProductID=981&utm_source=New+In+Chess&utm_campaign=c8a01b2c56-Campaign_423b_friday_17-10-2013&utm_medium=email&utm_term=0_44628fb704-c8a01b2c56-246529753) .

During several decades of research, German chess historian Rudolf Reinhart compiled, from an immense variety of sources, all the games Nimzowitsch played after 1928.

They are presented with notes by Nimzowitsch himself and, in some cases, by his contemporaries. In addition to the games, Reinhart also collected the articles and essays that Nimzowitsch wrote during that period.

"If Nimzowitsch had published an additional third part of his two-volume 'System' series, he would definitely have used a large part of the material that is collected in this book."

Peter Anderberg, Schach Magazine

A must for every fan of the great teacher of the Hypermodern
