## **Birthday greeting for our Alessandro Sanvito**

Michael Negele

Alessandro Sanvito at a lecture in Bolzano, assisted by Luca D'Ambrosio: [KWA Meeting at Bolzano 18 to 20 May, 2011](#)

Alessandro Sanvito from Bresso-Milano, celebrates yesterday his 80th birthday.

Unfortunately, his appreciation in Wikipedia is still only insufficiently maintained.

[https://it.wikipedia.org/wiki/Alessandro\\_Sanvito](https://it.wikipedia.org/wiki/Alessandro_Sanvito)

However, it expresses in a way, the importance of this Italian chess scholar in our small realm of 64 squares.

Ad multo annos, dear Alessandro

Michael Negele
