Michael Negele, Jurgen Stigter, Bert Corneth, Hans Engberts and Ralf Binnewirtz came to the first board meeting of this year in the MEC on March 25th, our hostess Eveline Dirksen and the new librarian Parvin Kazemi took part in the session as well. You will find the minutes of the results of this meeting in our Member's Area (Page 1 - Minutes and Documents); there is linked the last report of our board (VII 2005 - III 2006) too.

A further reason for the meeting was the closing of the Ken Whyld showcase carried out that day - the exhibits were given back to their owners.

Warm thanks go once again to the Max Euwe-Centrum for the kind reception and hospitality.
