Isaak Maxovich Linder
*** 20 November 1920 † 31 October 2015**

Again one of [our doyens](#) has passed away: Isaak M. Linder, the famous Russian chess historian and author of countless chess books died shortly before his 95th birthday. There is a short tribute ([in Russian](#) / [in English](#)) and a [notice of his death](#) (in English). We will still provide a more detailed obituary.
