New book by Juan Morgado on Argentine chess history

1500-1904 - frontcover

Juan Sebastián Morgado - Prehistoria del ajedrez argentino

Mr Juan Sebastián Morgado (Argentina), informs us of the publication of his new book on the history of chess in Argentina.

He explains:

Here is the link to my latest book, Prehistory, with which I have completed the history of Argentine chess from 1500 to 1955 (20 volumes). In case a museum or library accepts donations, I offer to send them my books directly from Amazon.
