A new book has just been published! For chess collectors: Doug Hamilton el Tal australiano

[_ Jesús Seoane Sepúlveda - Doug Hamilton el Tal australiano - frontcover](#)

Dedicated to Doug Hamilton. A fearsome attacking player who inspired new generations of Australian players, such as the creative GM Ian Rogers. In fact, it is a Tribute to the whole of Australian chess. Some GMs and IMs and few of the best players in Australia collaborate in it. The layout designer is Juan Carlos Sanz, who does an impressive job.

The author, Jesús Seoane, is a Spanish physicist with a remarkable international career and not only a good chess player but also a passionate chess player and book collector.

DIN-A4 format.

674 pages.

Hard cover, paper 90 grs.

Weight around 2 kg.

[Jesús Seoane Sepúlveda - Doug Hamilton el Tal australiano - Extract \(1.6 MiB\)](#)

[_ Jesús Seoane Sepúlveda - Doug Hamilton el Tal australiano - backcover](#)

A real Jewel with 64 numbered copies. Includes annotated games, tournament tables, photographs (some of them by Cathy Rogers), etc.

Most of the text is in Spanish language but there are some texts in English (8% of the book).

The hardcover edition is priced at 50€ vat not included. If you want to reserve 1 copy on Paper you should do it right now.

For those who do not want this special edition, there will surely be a simpler softcover edition which will surely sell out quickly.

For the moment we only have 5 copies left: tiendachessy.com

Another 2021 book by Jesús Seoane Sepúlveda, Karpov...¡en Cádiz!, is featured here: [Seoane Sepúlveda, Jesús](#)
