Due to the personnel changes in our Board etc., the pages [Organization](#) and [Imprint](#) have been updated. Moreover our page [Statutes](#) includes now the first version of the KWF&A statutes from January 2013 (previously only in the member section). An update to the current status is in preparation, we will keep you informed.

PS (25-07-2016): Statutes (first version) corrected.
