Pictures from the Annual Meeting at Antwerp, 2010

From the large number of photos I have at hand from Antwerp I have prepared a selection in the form of picture galleries - hopefully you will enjoy:

The [first gallery](#) shows 35 photos from the visit of the [Museum Plantin-Moretus/Prentenkabinet](#) with a printing demonstration at one of the oldest functioning printing presses worldwide

A further gallery with 19 photos is devoted to the reception by [Antiquarian Herwig Simons: Gallery Herwig Simons](#)

There is also a series of pictures from the Friday evening diner, here the corresponding [gallery](#) with 15

snapshots as well as the [KWA Menu Card](#) (PDF, 4.7 MB) with the autographs of the participants.

Some impressions from the beautiful city of Antwerp should not be missing - have a look at our [gallery no 4](#) (with 24 photos)!

Last but not least the pictures from our general meeting at the [Cultural Conference Center Elzenveld](#) as well as from the traditional KWA book fair at the end of the event: [Picture Gallery 'Meeting / Book Market'](#) (24 photos as well)
