Small KWA Meeting at Reykjavik

from left: Bragi Kristjánsson, Ólafur S. Ásgrímsson, Gunnar Finnlaugsson and Friðrik Ólafsson

Our member Gunnar Finnlaugsson has briefly reported about his last visit to Iceland this month. His main concern was a translation of the book *Við skákborðið í aldarfjórðung* (see [Publications of our Members](#)) into English. Gunnar is the project leader, there is already a typed draft made by the late Björn Jóhannesson. Most likely the journalist Johannes Finnlaugsson will be involved as well. It is their intention to publish a book on Ólafsson next year on the occasion of the 75th birthday of the famous Icelandic grandmaster. Good luck for this project!
