Sonja Graf in the WCHoF

We are pleased to hear that the German born female chess master **Sonja Graf-Stevenson** has been included in the World Chess Hall of Fame - see this page of the [WCHoF website](#)! So from coming April both Mrs. Stevenson (the other is Vera Menchik) will decorate the walls of the [World Chess Hall of Fame](#) in Saint Louis.

On this occasion we remind of Michael Negele's extensive article [Schicksal eines Fräuleinwunders - der Lebensweg der Sonja Graf-Stevenson](#) (PDF, 1st edition 2004, updated 2007), as well as the page [Childhood of Sonja \(Susanna\) Graf ...](#).
