Last October (see [Zur Schach-Akademie in Achdorf bei Landshut und vom Sailerschen-Kreis \(To the chess academy in Achdorf near Landshut and from the Sailerschen circle\)](#)), Siegfried Schönle reported on his brochure published by the Löberitz Chess Museum, Zur Schach-Akademie in Achdorf bei Landshut und vom Sailerschen-Kreis.

The 1st edition is already sold out and the 2nd edition was published at the beginning of February. It was printed in a larger format, DIN A4, to make the text easier to read.

The brochure can be obtained from Siegfried Schönle at hsschoenle2@aol.com for the price of 20 euros + postage – as a donation to the Chess Museum.
